

Permission to Find Your Passion

Action Step #1 – Identify it.

What's a passion you want to pursue or an area in which you want to become more passionate?

Action Step #2 – Talk about it.

Tell someone what you're thinking, why this area of passion is important to you, and/or how you lost touch with it. Or share it in The Passion Project Facebook group.

Who will you talk with about it? Is that easy or hard for you to do? Why?

Action Step #3 – Take one step toward it.

This week, do just one thing that will help you move toward your passion or become more passionate in one area of your life. What do you plan to do?
